Dear Mr Ferndale,

I thank you for the information.

The father has gone on to break the new parenting plan and maintenance agreement as expected and is refusing mediation again and telling me to go back to court if I don't like it.

His behaviour is escalating again since the court process ended.

I am not sure what to do from here. Two years of court, a variety of officials coerced by him to break legal protocol due to his gender and SAPS contacts, and here we are again.

My son was in tears again yesterday worrying he would pitch up unexpectedly. The father used SAPS contacts to remove my son forcibly last year.

And a criminal kidnapping case at SAPS Fish Hoek against him for doing same in 2019 has never been attended to.

My child has been through too much already.

I await your office's response.

Kind regards,

Nicole

Dear Mr Ferndale,

Is there any feedback from the DSD regarding this, please?

I have also heard nothing from SAPS Fish Hook with regards to the criminal kidnapping case in June 2019. Still.

Kind regards,

Nicole Dreyer

Actually laughing out loud.

Full videos are available. Because it starts off with Jed not know what I am about to I ask. No coaching.

And with me saying that I forgot to ask you who built your LEGO model that you showed to me as "Jed's Plan."

You are a very smooth woman, Ms Rubain.

Respect. But also. Not much admiration.

Thank you for the time.

Nicole and Jed.
